OVERVIEW

This course introduces students to contemporary editing & mixing techniques in music production using the industry standard Pro Tools software. Topics include; mixing concepts, internal 'in the box' signal routing, automation, signal processors, and signal processing techniques.

On completion of this course, students will learn the steps in creating an efficient mix session and complete a full mix of their chosen material.

HOW TO REGISTER

- ▶ Complete this registration form and submit to MOSMA Admissions via email: admissions@midoceanschool.ca
- ▶ You will receive a registration invoice by email with a unique MOSMA Student ID Number.
- ▶ Pay your invoice: eTransfer to accounts@midoceanschool.ca or Drop-off a cheque to MOSMA (instructions for how to submit payment will be detailed on your invoice). MOSMA does not accept Debit or Credit Card payments.
